With Businessworld you can:

- **Use our global network as your own**
Businessworld members simply show their card to access Business Lounges, ready-to-go Offices and Meeting Rooms in more than 1,100 locations in 85 countries.
- **Increase productivity for people on the move**
Mobile workers can hold meetings, print, e-mail, and more with business support from our center teams; helping them work more effectively.
- **Confidence needn't cost the earth**
Businessworld membership gives you a 10 percent discount on all our Meeting Rooms, Day Offices and Video Communications.
- **Test-drive new working practices**
Use Businessworld as a low cost / zero commitment means of learning how alternative working practices could benefit your business.
- **Provide the right image for your business**
Meet with customers, hold interviews, run demonstrations and training days at prestigious addresses in the world's major business districts.

Selecting the membership that's right for your business
